# PROFESSIONAL PHOTOSHOOTINGS

Couples, Families, Individual, Kids

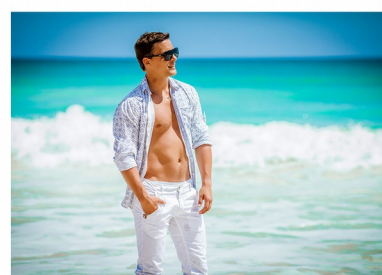

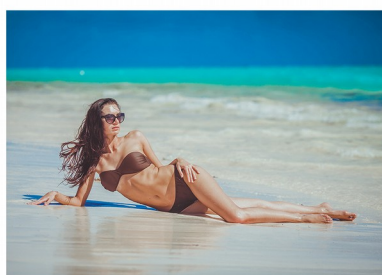

We are a group of professional photographers, from different parts of the world..  
Italy, Argentina, Spain, Russia..Residents in the Dominican Republic,  
Ready to immortalize with a great passion for our work memorable memories .  
We deal with Weddings and Photo Sessions for couples, families and individuals

Once you book your service with us you will receive a confirmation email  
and from there your photographer will communicate directly with you  
to clarify any doubts and plan the work.

Our photographer will take you from your hotel  
and take you to the place of your choice for the service,  
once the work is finished it will take you back to your hotel.
